

Tango in the Bathroom

WC Seat Malong from Hamberger Sanitary: Inspirations in fiery red and cool black

Delicate black lace on dark red velvet, cool passion and hot rhythms: Conjuring up the world of the tango and the flamenco, Hamberger Sanitary has introduced two vibrant new colours for the award-winning Malong WC seat series. The new look shows off the sizzling red and cool black associated with these passionate dances.

With the new WC seats of the Malong series, bathrooms show their colours and turn the 'smallest room' of the house into an aesthetic design element. The visual impact is underlined by the outstanding design of the Malong WC seat, which has won two prestigious international awards: the Design Plus prize and the reddot design award. For a perfect harmony of form and function, the Malong series comes with the patented TakeOff hinge for optimum cleaning and the SoftClose system, whose automatic closure mechanism closes the lid gently and silently at the touch of a fingertip.

Malong series from Haro presents strong new colours.

Hamberger Sanitary GmbH in Rosenheim near Munich, Germany, today is the largest manufacturer of WC seats having its production facilities in Germany. The Sanitary Ware division has been manufacturing WC seats made of wood and plastics since 1912, with the development of its own designs and ingenious hinge technology forming the basis of its success. The enterprise which was founded in 1866 is today managed by Peter Hamberger and Dr. Peter M. Hamberger, in the fourth and fifth generations. The export share of the company is over 50%; exports are world-wide into more than 50 countries.
